

NCMS

ISP<sup>®</sup> Pioneers

2004 – 2014

June 2014, National Harbor, MD

# ISP<sup>®</sup> Certification Launched in 2004

- **Security certification universe in 2003 focused either on other small niches or included areas not common to contractors in the National Industrial Security Program**
- **Remedied with NCMS' launch of the ISP<sup>®</sup> in 2004**
  - **Focused on NISPOM**
  - **Electives introduced included Counterintelligence & COMSEC (not offered in other certifications)**
  - **NCMS grassroots wanted a certification program emphasizing what they actually do**

# ISP<sup>®</sup> Certification Launched in 2004

- **The ISP<sup>®</sup> “Pioneers” did not know**
  - If the program would gain acceptance or not
  - How to evaluate their individual preparation
- **They became certified in three phases**
  - “Alpha” testing by the NCMS Board of Directors (various during 2003 & 2004)
  - “Beta” testing by the Enchantment Chapter, Albuquerque NM (January 2004)
  - 1<sup>st</sup> public roll out at 39<sup>th</sup> NCMS Annual National Training Seminar in Reno NV (June 2004)
